## *Foreword*

We who have been privileged with a glimpse into the world of knowledge are now preparing to set forth on excursions through outer realms. Mystic new worlds lie before us, unexplored, unconquered, perhaps destined to be unveiled by us. Uncertainty clutches at our hearts, for nameless challenges beckon on the horizon. Before we venture forth, let us raise the cup of knowledge in one last resounding toast—a toast to the World of Tomorrow.

# DEDICATION

Best wishes Dotte.  
We have missed you, and  
wish you could have  
remained for graduation.

# EXPLORERS

# *Three Trips*

*As the graduates of '51 we look back and remember—*

## *Our First Trip!*

After nine years of struggle we had finally made Senior High. We were only Sophomores, the lowest form of humanity, but our great adventure had begun.

Acting as mechanics on our first trip into the Great Spaces of a new life, first duties were assigned during Sophomore Week. Carrying books in buckets, pushing pennies with our noses, singing "The Crimson and the Grey," wearing our names on signs, and other countless nonsense were part of the fun of being accepted by upper classmen.

Our first big decision—that of electing our class officers—proved a success and we flew a steady course under Mildred, Bill, Joyce and Martha Jo's leadership.

Football season—and with it our first weekly pep session. No one was prouder when CHS had an untied, undefeated football team. The first in its history. Not only did they walk off with the Pinellas County Trophy, but also won the South Florida Conference Championship!

After mid-year exams, Seniors presented "Aaron Slick From Punkin Crick." Some day we, too, would give a play.

The Space Ship was nosing in toward home again as we celebrated May Day, Queen Pat with her escort Pete, and weren't we proud of Sally and Jack. Then in a rush of exams, dances, graduating Seniors and report cards, we landed, and our first trip had been successful.

## *Our Second Trip!*

After three months, we reported back. This was to be our second trip and we were now part of the crew.

During Sophomore week, we taught our underlings a few things, such as: how to wear their shoes on the wrong feet; how to eat garlic. The garlic idea backfired, for we had to smell the Sophs' breath all day. Oh well, live an' learn.

Another good start with "Wise selections at Class Elections." Ed, Ned, Jeannine, and Albert led our crew with our confidence.

The band tuned up; the cheerleaders, among which were our own classmates—Holly, Gerry, Jo Ann, and Patty, donned their uniforms; the team kicked off, and football season was here again. With a hope in our hearts and a shout in our throats, we cheered our boys on to the Pinellas County and South Florida Conference Championships for the second year.

The Senior Play, "A Date With Judy," starring Betsy and Bobby, was an outstanding performance.

As we tripped off to the Jr. Sr. Prom for the Seniors, we left the poor little mechanics behind with few regrets. We had watched with longing last year and our turn had come—so would theirs.

Then came May Day, held on the lawn in front of the school. The court, composed of Queen Jo Ann and King Charles; the attendants, Holly and Bill, Laura Lou and Jack, Mildred and Bill, and Lila and Chuck, looked beautiful sitting under the old oak trees with the glee club on one side, the orchestra on the other and flowers everywhere.

Before we landed, we struggled through our exams and emerged triumphant! Another voyage had come to its end.

## *Our Third Trip!*

Three-months leave over, we returned to take command, for we were explorers this trip!!!!

Right away we elected a capable command. Albert, Ned, Lila and Mildred were chosen to guide us.

With the arrival of our class jewelry came a sense of unity. Remember the locks on our lockers? My, but we fussed about them! But Mr. Feagle stood firm, and we succumbed to his command.

With Coach Justice's absence, our "winning streak" took a tumble, but the old C.H.S. spirit was still in there pitching, so we gave opponents a rough time. How glad we were when Laura Lou and Jack joined the cheering squad. Remember how lovely Queen Jessie and her attendants, Holly, Gerry, Jo Ann, and Jean looked at Homecoming!! That was the Plant game—the night the torrid Tornadoes were beaten.

Soon basketball season was moving full speed. Who will ever forget the faculty and student team game with Miss Myers heading her magnificent faculty cheerleaders—Miss Kelley, Miss Turner, Miss Morse, Mrs. Turner, and Miss Foley. The faculty won?!

Just before Christmas the band and orchestra presented a Christmas concert.

Mid-year exams (ugh!) over, the annual staff rushed hither and yon with deadlines to meet; the senior class productions group hustled and hustled to get "Best Foot Forward" ready for presentation. We thought we had a good play with Delano and Henry in the starring roles, and it really did make a hit!!

Our third trip was nearing an end, and suddenly we wanted it to cease hurrying. Then, our caps were on and we were walking sedately down the auditorium aisle to the strains of "Pomp and Circumstance." At last, we were to receive the honor bestowed by dear old C.H.S. on those who were willing to work hard and continuously for their own betterment. As we waited to receive the first material indication of our hard work, we wondered where the last few weeks had flown. The Sr. Play, "Best Foot Forward," and the hit it made; May Day; Sr. Week, complete with Skip Day, the Prom and Banquet; final exams and diplomas. Had it really happened? Now that our trip was completed, were we finished?

No—for though we had taken our last excursion, we would be making trips alone into the spaces of greater and higher knowledge. Our great voyage of life had just begun!

# Explorers

We, the explorers, having completed our basic training, are now ready for our solo flight. Before departing, we turn over our charts to the crew for the day when they too will explore the World of Tomorrow.

Left to right, back row: Mildred Taylor, Treasurer; Dean Harlan, Sergeant-at-Arms; Ned Spake, Vice-President; Lila Peterson, Secretary.

Front row: Albert Wilcox, President; Patty Calhoun, Sergeant-at-Arms.

Dottie,  
Wish you would  
be here to graduate  
with us. Lots of luck  
and happiness to you & Bill.

## *Student Council*

Student Council, the government, so to speak, of C.H.S., and center of the busy swing of its everyday life, has enjoyed a successful year. Under the direction of Miss Foley, it has planned and carried out many worth while projects: perhaps the most noteworthy of which was the C.H.S. Calendar, which was produced after much painstaking effort on the part of the committee. No other organization at C.H.S. has shown more active group participation.

# Chatter

"Pop Meadows says that he can get the Chatter next Friday if all the material is in the print shop by Monday." A statement such as this has been known to cause bedlam in the Journalism Department of C.H.S.

Columns are written with sudden inspiration on the part of the writers, news stories are recorded, and the happenings at club meetings are somehow remembered in a literary fashion. Sports articles add the final touch and then the job is left to the printing department. The combined efforts of Mrs. Edna Knapp, the staff, and the boys in Mr. Meadow's printing classes produce a greatly enjoyed Chatter; a school paper surpassed by none.

## Honor Society

Any one who belongs to the Honor Society has proved to be outstanding in character, leadership, and service. This club, under the guidance of Miss Martha Kelly, has served this school for 14 years during which time it has done more than its share of producing better well-rounded personalities.

Many of the members of this club are club officers in the school and one of its aims is to teach the members correct parliamentary procedure. Invitations to join this club are formal and are given at midterm and at the end of the school year. To qualify as a member a student must have an 85% average or more.

# D. C. T.

D. C. T.—Three letters that stand for so much, because the Diversified Co-operative Training group has as its aim the all important task of preparing young people for their life, after high school, when they shall make up a part of the work-a-day world. This is accomplished by the practical knowledge given them by their advisor, the able Mrs. Ruth Brubeck, and by actual experiences in their field of work. Thus these young people are able to obtain a strong foothold on their ladder to success.

## Masque and Gavel

This is the club at C.H.S. for those students who are interested in drama. Three points must be earned before one may become a member. These can be either in speaking or acting.

Under the able direction of Miss Sarah de Kirkpatrick, Masque and Gavel presented "JUNE MAD," a comedy in three acts, which was a tremendous success.

Acting is not the only interest of Masque and Gavel. One may also exercise his ability in speaking or any other phase of drama.

# Quill and Scroll

The main requirement for acceptance into this club is the desire and ability to write. Also, an average of 85 must be maintained in English and 40 inches of accepted journalistic writings are necessary for membership.

The club, sponsored by Mrs. Edna Knapp, enjoys many interesting meetings which include speakers and dinner parties.

One noteworthy thing about Quill and Scroll is that it is the oldest club at C.H.S. and it sponsored the introduction of many other clubs into the school.

Formed in 1920 as a Y.W.C.A. branch, it has increased in importance each year, not only to the girls belonging, but also to our community and school.

Any girl enrolled at C.H.S. is invited to join the club which will welcome suggestions and ideas.

C-Club, the sports club, is made up of all those boys who have received a varsity letter for participating in any major field of sports. ## *Los Gauchos*

"The Cowboys," as they call themselves—for no particular reason, must have an 85 average in Spanish, before receiving an invitation for membership. The Club's active membership made it possible for them to sponsor a gay masquerade ball, which was something new in C.H.S. history. Amongst the exciting programs of the meetings, are Spanish skits, weiner roasts, and Chili-suppers. The cowboys are held in check by Senora Turner.

# Usherettes

The usherettes are certainly a vital part of our football games. What a mad scramble there would be without the girl with a pleasant smile to give direction to "lost" spectators.

The girls, who are under the direction of Miss Myers, wear the traditional crimson and grey, and are easily identified by the crimson ribbon on which "Usherette" is printed in gold.

The Key Club is primarily a service club aimed at the goal of building better communities. It is an honor to belong to this club. Surely the boys of the Key Club have a place in the world of tomorrow.

One hour a day is served by each assistant librarian for the reward of one third credit a year. These assistants receive valuable and useful practice in library procedure and also undergo a rigid test, day after day, in the development of a pleasant and helpful personality.

# Orchestra

The C.H.S. String ensemble, under the direction of Stephen Yanetovich, has participated in many activities this year. It makes up the string portion of the C.H.S. Orchestra which was rated a superior first division orchestra in contest. The orchestra has made many public performances and has appeared in several contests this year. Several of the members also participated in the all-state and all-southern orchestra.

# SPORTS

MAX SPELLMAN

When the doors of C. H. S. were opened in the fall of 1950, M. A. Spellman came in as head coach. A native of Savannah, Georgia, he went to the University of North Carolina, where he played on the Tarheels Sugar Bowl team of 1945. In '48 and '49, he was assistant coach, head basketball and track coach here. He then moved to Philadelphia, where he played for the Philadelphia Eagles.

Welcome back, Coach Spellman! And we all hope you stay here a long time.

GUS SAKKIS

Coach Gus Sakkis, no longer a newcomer, has won the friendship and confidence of everyone at C. H. S. He attended Rollins College and coached at Plant High in Tampa. We are all proud of the excellent assistance he has given Coach Spellman and "Our Tornadoes."

ROBERTS BROWN

Coach Roberts Brown, an alumnus of C. H. S., graduated from Tampa University, and has become a famous guy around here. He is head coach for the basketball team and B-squad coach in football.

He deserves a lot of credit for the fine show of spirit and work his teams have shown.

HARRY HANCOCK

Harry Hancock, an old alumnus of C. H. S. and Rollins College, deserves the spotlight of C. H. S., as one of the assistant coaches. He spends his school hours as an American history teacher and is liked by all.

During the summer, he is Clearwater's ace Bomber catcher.

A lot of credit goes to him for his hard work to make the Tornadoes a success this year.

Due to the size of the team, we were unsuccessful in pushing back the opponents enough to win the usual awards. However, the team did a fine job.

Coach Hancock is the able mentor who trains these boys.

Here's to our enthusiastic boys who step up behind the plate to take honors and add more glory to C. H. S.'s athletic record!

## *Girls' Basketball*

Although the girls only played six official games, they obtained a lot of experience for next year. They had fun on the trips meeting teams from other schools.

They played against Largo twice, winning one and losing one. They also opposed St. Pete and lost the first game by 3 baskets and the second game by three points. They defeated the City Recreation team. Tarpon Springs, their yearly rival, withdrew from this year's schedule.

All the girls show great promise for next year's team. The team will lose the services of three of the best players, when Pat Lane, Page Logan, and Jeannine Bowers graduate.

Dear Dattie,

Gash, gal! We sure do  
miss you around here.  
But I guess you are very  
happy there too. We used  
to have a lot of fun to-  
gether and shall never  
forget you. You are  
a mighty sweet gal, so  
just stay that way.  
I sure hope that we  
will see each other  
again some time. In  
the future. Going to  
miss you at grad-  
uation. The best of  
every thing to you hon,  
and of course William.  
Be good, and loads of  
love.

As ever,

"Cookie"

Dearest Dottie,

June 4, 1961

In reply to your current letter - Ha! That current has an undertow!

Jeepers but I miss the cute 'lil red-head who used to sit by my side in Journalism and who used to tell me how to drive in R.T.

Let me wish you the best of everything - happiness - success - joy - and future.

Some day perhaps we will meet again. I wish I could say shall but the future is yet to come.

So, Willie, is there with you. Know it all the time. All the happiness in the world to you <sup>two</sup> always.

Golly, I would give a week of my future just to have you here for a day! What a day that would - we could skip - oh, almost forgot no more school - go to the beach and have a rip-snoring good-time.

Years later you'll probably be wondering who in the world wrote this - as long as I'm in the world - you'll know!

Well the bottom of the page is near and maybe I had better say good-by - good luck and love to one of my dearest sweetest friends.

As ever, love -  
Carolyn
